

Carers October 2018

Carers Champions are now in place in most of our services as part of our commitment to the Triangle of Care. They are staff who understand about carers and families roles and know about the services that can support them, and who promote carers needs in their team. They get regular updates about events and news for carers in their areas, and pass these on.

For more information, please contact Wendy Slater, Trust Carers Lead on 01246-515974 or wendy.slater1@nhs.net or lynn.dunham@nhs.net
