Changes to Dementia Support Services in Derbyshire

The Alzheimer’s Society has been successful in winning the new contract to deliver the Derbyshire Dementia Support Service. This means that from 1st December 2018 Alzheimer’s Society will take over responsibility for delivering this service from Making Space. There will be a transition period until 1st December 2018, when new referrals to the Derbyshire Dementia Support service will be directed to the new provider. You can still access support and groups in the same way you do now and referrals for the service should continue to be made to Making Space.

Contact Making Space on 01246 592010 or email derbysiredementia.service@makingspace.co.uk

Learning Disability Health Action Plan Awareness Course

If you support people with Learning Disabilities you need to know about Health Action Plans—they are now part of the Learning Disability Annual Health Check with GPs. Information, help and advice for young carers

Most young carers help to look after their mum or dad, brother or sister, but it could be a grandma, grandad, aunt or another family member that needs help and support. Young carers often help with shopping, housework, cooking or personal care such as helping someone get dressed, have a bath or go to the toilet and might also give emotional support too.

There is help, support and advice available for young carers, visit the young carers section of the Carers in Derbyshire website www.carersinderbyshire.org.uk/young-carers You can find out more about what services are available and watch videos and read stories from other Young Carers.

Talking Mental Health Derbyshire

Talking therapy is a way to explore your difficulties with a trained professional, sorting through your problems to get some relief from tension, have a safe place to explore how you are feeling or gain a new understanding of your problems and plan what you want to do to overcome them. Talking Mental Health Derbyshire offers a range of therapies for people experiencing common psychological difficulties, such as those feeling anxious, low, or depressed. It is a free and confidential service for young people over 16 and adults, who are registered with a Derbyshire GP. Trained psychological therapists use talking therapies, such as counselling and cognitive behavioural therapy, to help people move towards recovery. You can self-refer by completing a short form. Telephone 0300 123 0542 or email the team on dhcf.talking@nhs.net

Moving on from Caring

This is a new flexible programme that supports carers to learn new skills and gain qualifications and experience. The programme can fit around you and you can learn from home. The programme can last between 3 and 6 months and you may qualify for a bursary to support you with caring responsibilities. For more information telephone 01629 533225 if you live in Derbyshire or 01623 476830 if you live in Nottinghamshire.
