## Corporate Governance Statement (FTs and NHS trusts)

	The Board are required to respond "Confirmed" or "Not confirmed" to the following statements, setting out any risks and mitigating actions planned for each one		
1	Corporate Governance Statement	Response	Risks and Mitigating actions
1	The Board is satisfied that the Licensee applies those principles, systems and standards of good corporate governance which reasonably would be regarded as appropriate for a supplier of health care services to the NHS.	Confirmed	Following consideration of an external independent assurance review of governance arrangements at the Trust, NHS improvement issued a certificate of compliance on 24 May 2017. The Trust has continued to sustain and embed the actions undertaken as part of the governance improvement action plan, which have been overseen by Board Committees. Assurance reporting has been presented to the Board in November 2017 and March 2018 to confirm ongoing sustained good practice.
2	The Board has regard to such guidance on good corporate governance as may be issued by NHS Improvement from time to time	Confirmed	The Trust has embedded the actions taken to address the comprehensive Governance Improvement Action Plan completed in 2017 which ensures continued focus on good governance practice.
3	The Board is satisfied that the Licensee has established and implements:  (a) Effective board and committee structures;  (b) Clear responsibilities for its Board, for committees reporting to the Board and for staff reporting to the Board and those committees; and  (c) Clear reporting lines and accountabilities throughout its organisation.	Confirmed	The Trust corporate governance framework has been reviewed in year and implemented successfully. There is a process for review of all Board Committees to reflect on effectiveness. External assurance has been received in year following completion of an independent external Well Led Framework Review.
4	The Board is satisfied that the Licensee has established and effectively implements systems and/or processes:  (a) To ensure compliance with the Licensee's duty to operate efficiently, economically and effectively; (b) For timely and effective scrutiny and oversight by the Board of the Licensee's operations; (c) To ensure compliance with health care standards binding on the Licensee including but not restricted to standards specified by the Secretary of State, the Care Quality Commission, the NHS Commissioning Board and statutory regulators of health care professions; (d) For effective financial decision-making, management and control (including but not restricted to appropriate systems and/or processes to ensure the Licensee's ability to continue as a going concern); (e) To obtain and disseminate accurate, comprehensive, timely and up to date information for Board and Committee decision-making; (f) To identify and manage (including but not restricted to manage through forward plans) material risks to compliance with the Conditions of its Licence; (g) To generate and monitor delivery of business plans (including any changes to such plans) and to receive internal and where appropriate external assurance on such plans and their delivery; and (h) To ensure compliance with all applicable legal requirements.	Confirmed	The Board, via its Committees where relevant, overseas the Trust duties as listed. Items are esclated to the Trust Board from Committees to ensure key risks are addressed.
5	The Board is satisfied that the systems and/or processes referred to in paragraph 4 (above) should include but not be restricted to systems and/or processes to ensure:  (a) That there is sufficient capability at Board level to provide effective organisational leadership on the quality of care provided; (b) That the Board's planning and decision-making processes take timely and appropriate account of quality of care considerations; (c) The collection of accurate, comprehensive, timely and up to date information on quality of care; (d) That the Board receives and takes into account accurate, comprehensive, timely and up to date information on quality of care; (e) That the Licensee, including its Board, actively engages on quality of care with patients, staff and other relevant stakeholders and takes into account as appropriate views and information from these sources; and (f) That there is clear accountability for quality of care throughout the Licensee including but not restricted to systems and/or processes for escalating and resolving quality issues including escalating them to the Board where appropriate.		Quality Leadership is overseen by the Trust Board and assurance on quality of care is provided through the Quality Committee. Issues and risks are escalated to the Board as required. We have continued to progress and complete actions arising following the CQC comprehensive inspection in June 2016 and subsequent visits.
6	The Board is satisfied that there are systems to ensure that the Licensee has in place personnel on the Board, reporting to the Board and within the rest of the organisation who are sufficient in number and appropriately qualified to ensure compliance with the conditions of its NHS provider licence.	Confirmed	The Remuneration and Appointments Committee consider the composition of the Board to ensure that this is appropriate in terms of skill mix and qualifications. Fit and Proper Persons Test policy has been fully implemented and embedded. Wider workforce issues are considered by the People & Culture Committee with risks and issues escalated to the Board as required.
