

Performance information on the initiation and delivery of clinical research

The Government wishes to see a dramatic and sustained improvement in the performance of providers of NHS services in initiating and delivering clinical research. The aim is to increase the number of participants who have the opportunity to participate in research and to enhance the nation's attractiveness as a host for research. Providers of NHS services are required to publish information on recruitment to clinical trials and delivery to time and to target for commercial clinical trials.

Report period: covering April 2019 to June 2019 - End of Quarter 1 2019-20

1. Performance in initiating Clinical Trials:

(For every clinical trial (regardless of funder or inclusion in NIHR CRN Portfolio) where the **Date Site Selected falls within the previous twelve months**)

Quarter 1 - There were no eligible studies: **Nil Return Submitted**

2. Performance in Delivering Commercial Contract Clinical Trials:

(For every commercial contract clinical trial hosted by the NHS provider closed to recruitment in the previous twelve months)

Quarter 1 - There were no eligible studies: **Nil return submitted**
