

Coaching for BAME Colleagues

Following reports that COVID-19 may have a disproportionate impact on BAME colleagues, we have put together a series of coaching calls with BAME coaches as part of a suite of initiatives to support colleagues.

BAME colleagues may feel more comfortable talking about their specific issues with a BAME coach as they may share similar lived experiences.

To book, simply click on the link for the date and time that best suits you. You can then select the specific slot that works best for you and enter your details. At the time you have booked the named member of the team will give you a call on the number you provide; you'll also get a reminder email from Eventbrite.

Look out for more slots coming soon too!
