

## Performance information on the initiation and delivery of clinical research

The Department of Health requires, via the new National Institute for Health Research (NIHR) contracts with providers of NHS services, the publication on a quarterly basis of information regarding: the 70-day benchmark for clinical trial initiation; and the recruitment to time and target for commercial contract clinical trials.

### Clinical Trials for which NHS Permission was given (End of Quarter 4) covering April 2015 to March 2016.

#### Performance in Initiating all Clinical Trials:

REC Reference Number	Name of Trial	Date of Receipt of Valid Research Application	Date of NHS Permission	Date of First Patient Recruited	70-day Benchmark	Comments
