If you are concerned that you are developing a mental health problem you should seek the advice and support of your GP as a matter of priority. We are not able to advise people directly on their personal circumstances.

Extra Information:

The Mental Health Foundation is the UK's charity for everyone's mental health. We deliver programmes, training and guidance that help to prevent mental health problems and support good mental health. We focus on issues that create high risks and know that mental health matters to us all, throughout our lives.
